Central Wisconsin State Fair Market Animal

Sale 2023 / 2024 Committee

Executive Board Members

President -----Mark Cournoyer

Vice President-----Kelly Aue

Secretary -----Ann Lindow

Treasurer-----George Gilbertson

Member At Large-----Jason Bernick

The Market Animal Sale Committee (MASC) is made up of individuals who are willing and available to assist the exhibitor and their family with answering any questions or explaining things you may not know or understand. Please do not hesitate to reach out to any of us. We want to help make this a very positive experience for all those involved. Good luck with your project.

Committee Members

Dennis Bangart, Amy Genskow, Clint Sternwies, Peggy Pankratz, Jason Bernick, Neal Potts, Leah Bernick, Josh Klumb, Lori Salzmman, Eric Brock, Dan Kunder, Mark Cournoyer, Megan Kunder, Rod Friedrichsen, TJ Landwer, George Gilbertson, Ann Lindow, Bruce Thorson, Joyce Karl, Matt Lippert, Cheryl Thorson, Scott Karl, Mark Zee, Kelly Aue, Virgil Voight, Heather Wellach

Interested in becoming a Market Animal Sale Committee Member?

Attend two (2) consecutive committee meetings and show an interest in being involved and supporting the program with your time and knowledge.

Committee Meeting Dates

Dates, Times and Locations of Meetings will be emailed to Committee Members. Generally the 2nd Wednesday of the month 7pm Jr Fair Building and subject to change

January, April, July, September, October and November

Committee Meetings are open to the public.

We ask that if you are interested in attending, please contact an Executive Board Member so we can inform you of these meetings as they become scheduled.

Central Wisconsin State Fair Market Animal

Sale Rules And Guidelines

Important Notes:

***Check the General Rules, Judging Schedule and Animal Related Guidelines found in the beginning sections of the Junior Fair Book, as well as the Animal Health Rules and Regulations, found online at:

<https://wood.extension.wisc.edu/4-H-youth-development/central-wi-state-fair/>

***In addition to this booklet, each exhibitor's family is given a Google Classroom link with other pertinent information that applies to the 2024 Market Animal Sale.

***The following information is published in the Junior Fair Website as well as on-line at:

<https://wood.extension.wisc.edu/4-H-youth-development/central-wi-state-fair/>

General Rules

1. Any exhibitor planning to participate and sell their animal in the Central Wisconsin State Fair Market Animal Sale, must agree to the rules and guidelines set forth by the Market Animal Sale Committee. Each exhibitor and their parent/guardian must sign the Market Animal Sale Agreement Form to be eligible to sell in the sale. By signing this agreement, the exhibitor and their parent/guardian indicate that they have read and understand the information provided to them in the "Market Animal Sale Exhibitor Rules And Guidelines" booklet that is given to each family. A separate signed form is required for each exhibitor (You may make copies of the agreement form located in your folder) one form per exhibitor. (*Sample form is included at the end of this booklet.*) Please note the date that the form is due. Failure to sign this form and return it on or before the due date will result in not selling in the Market Animal Sale.
2. Each exhibitor is entitled to weigh-in three (3) animals per species. An exhibitor may only sell one (1) animal in the Market Animal Sale. All exhibitors must choose which animal they want to sell by 8:30 p.m. on entry day. All non-sale market animals that are weighed-in on entry day are to remain on the fairgrounds for exhibit until all Junior Fair animals are officially released.
3. All animals that are overweight at the final weigh-in are allowed one more time across the scale. Underweight animals will not be re-weighed.
4. Market animals must be shown by the exhibitor in the market class to be eligible for the Market Sale. If a replacement exhibitor is needed, that exhibitor must also be exhibiting a market animal, and be approved by the Jr. Fair Board Rep and Superintendent prior to the show.

5. Exhibitors must enter their animal in the Junior Fair for a premium. Failure to turn in your fair entry forms or failure to enter your animal in the following departments will result in not participating in the Market Animal Sale: **2J (Beef) 3J (Swine) 4J (Sheep)**
6. Final determination of sale eligibility for Market Steers and Market Lambs and Market Hogs will be determined by weight upon final weigh-in on entry day. Grade determination will be made by the judge at the time of placing during the respective shows. If your animal does not make weight or grade, you will not be able to sell at the sale.
7. In order to sell a Reserve Champion animal in the "Sale of Champions" group in the Market Animal Sale, there must be a minimum of six (6) animals shown in each species at the Central Wisconsin State Fair Junior Show.
8. All Market Steer, Market Hog and Market Lamb Exhibitors shall forfeit the opportunity to sell in the Market Animal Sale if they fail to be in the sale ring when their number is called.
9. **Market Sale Exhibitors are required to sell their own animal.** If an exhibitor is unable to be in the ring to sell their animal, permission for another Market Sale Exhibitor to do so may only be given by the Market Animal Sale Executive Committee.
10. Exhibitors must attend three (3) educational meetings/events, **plus** complete the YQCA certification. The Market Animal Sale committee will sponsor several educational meetings. Meeting dates will be published in the 4-H Youth Connection and also will be distributed to exhibitors at all Market Sale sponsored activities. **Each exhibitor must attend at least one (1) educational meeting that is sponsored by the Market Animal Sale. All educational meeting dates will be published in the Google Classroom.** Refer to the Educational Meeting requirement pages in this booklet for more information regarding this requirement.
11. Exhibitors must return a minimum of Three (3) signed Bidder Commitment Forms from potential bidders by July 15th. Failure to do so will result in not being able to sell your animal in the sale.
12. No animal shall be tranquilized or show any sign of any drug use prior to the show or sale. Any evidence of tranquilizer or drug use will prohibit the animal from selling in the sale. If evidence of drug use is found in the slaughtered carcass, the exhibitor will forfeit the sale money.
13. The exhibitor and his/her family of an animal that is condemned at the time of slaughter by a State/ Federal Meat Inspector will stand the loss. This means that the exhibitor will reimburse the Market Animal Sale Committee the cost incurred by the committee to replace the condemned animal's meat for the buyer.
14. Your Market Animal is to be properly cared for until it leaves the fairgrounds. Once the animal is sold, it becomes the property of the buyer. However, the exhibitor and/or their representative will care for the animal until it leaves the fairgrounds. **The penalty for not properly caring for your animal is a \$250.00 deduction from your Market Animal Sale Check.**
15. A 5% sale commission will be withheld by the Market Animal Sale Committee to offset costs incidental to conducting the sale and other Market Animal Sale activities throughout the year.

16. Exhibitors must keep a record book issued by the Market Animal Sale Committee. **The Drug History Sheet must be completed and turned in at the time that your animal is weighed on entry day or at the Market Animal Check-In Station.** Exhibitors must turn in a completed Market Animal Record Book and also their Thank You note in an unsealed, stamped and properly addressed envelope (**forward and return address**) by Friday at 5:00 p.m. These two items are turned into the Junior Fair Office located in the Youth Building. A \$25.00 late fee will be deducted from your Market Animal Sale Check if you fail to fulfill either of these requirements on time. Failure to turn in a Record Book or Thank You card will result in sale checks being withheld until properly completed.
17. Exhibitors selling at any other County Market Animal Sale in the same year will not be eligible to sell in the Central Wisconsin State Fair Market Animal Sale. This does not include the Wisconsin State Fair Governor's Auction.
18. An exhibitor may switch animals within their chosen species in the event that the judge selects the exhibitor's non-designated sale animal as Grand or Reserve Champion. The winning Champion Animal must have met all of the Market Animal Sale requirements.
19. The Grand Champion and Reserve Grand Champion animal of each species will stay for the duration of the Central Wisconsin State Fair. These animals must be cared for by each exhibitor and his/her representative. **Failure to care for your animal when it is showcased in the Pen of Champions will result in a \$250.00 deduction from your Market Animal Sale check.**
20. Performance class

2024**** Performance Classes

The Market Sale Committee will be offering a Performance Class during the Central Wisconsin State Fair. This class is open to any exhibitor who is eligible to sell a Market Animal at the Central Wisconsin State Fair. **Entering is strictly optional and results will not disqualify you from the sale.** This program emphasizes the exhibitor's ability to select and raise market animals that will be evaluated on the components of ultrasound carcass merit and visual appraisal. Performance animals are subject to all rules for drug residue and unethical practices enforced by the CWSF and Market Sale Committee listed in the rules and regulations sections of the CWSF book.

Any exhibitor who is eligible to sell a market animal, may enter for the Performance Class. Entries will be entered in the Google Classroom under the classwork section **Performance Class**. Each eligible exhibitor may enter **one** animal. There will be an **entry fee of \$10.00** that will be deducted from the exhibitors market sale check. **Cash awards for the top 5 five finishers of each species will be awarded. Champion Banners will be awarded to the top carcass of each species also at the carcass show August 31.**

Overall placing will be based on **Ultrasound Carcass Component (70%)** and **Visual Appraisal (Live Show) (30%)**. The placings for the market animal show will comprise the Visual Appraisal (this will not be a separate show). Ultrasound will be collected at the fair. Details on location and time of carcass scans will be provided 1 week prior to the fair. Scanning will be performed by UW River Falls Staff

Beef Ultrasound: Steers/heifers will be evaluated on estimates of the USDA yield and quality grades that determine carcass value. These grades will be estimated by using ultrasound to measure 12th rib fat thickness, ribeye area and marbling score. Value-Based Carcass Evaluation favors carcasses which grade USDA Choice or higher and USDA Yield Grade 2 and lower.

Lamb Ultrasound: Lamb carcasses are evaluated to generate Boneless Retail Product Yield as well as a Lamb Carcass Index. Each system measures fat thickness and distribution combined with measures and evaluations of muscling. Higher scores in either or both calculations leads to higher ranking carcass. Further consideration is also given

to carcass weight and fatness “desirability” as influenced by industry standards and expectations. Carcasses need approximately 0.15” of fat cover to be considered “desirably” finished. “Heavy” carcasses and carcasses lacking “sufficient” finished will be ranked lower due to their deficiencies. Lambs showing characteristics of the callipyge gene will heavily discounted.

Hog Ultrasound: Pork carcasses will be ranked via their ultrasound –based calculation of “Percent Lean”. This calculation considers the hog’s level of fat thickness and muscling. Factors in the calculation obtained on the ultrasound are 10th rib fat thickness and 10th rib loin eye area.

Residue testing: All performance and regular market sale animals must be free of all drug residue of any type, including prescribed, at the time of show and be eligible to immediate harvest following the show. At any time, Fair Management may elect to have samples taken including, but not limited to, DNA, blood, urine, hair and tissue. Any carcass showing evidence of ante mortem tampering may result in the exhibitor of that animal forfeiting ribbons, prize money, sale money/receipts, prizes awarded and loss of future exhibition privileges.

Google Classroom will have for further updates and registration details.

21. The Carcass Show will be held on Thursday following the conclusion of the Central Wisconsin State Fair. Check the 2024 Google Classroom, UWEX Website, Sale Catalog for time and location.
22. **To be eligible for the 2024 Central Wisconsin State Fair Market Animal Sale, animals must have an official CWSF or State Fair RFID tag and must have collected DNA on file under the exhibitor’s name with Animal ID, Inc.**
23. If the DNA does not match on an animal, the exhibitors and his/her parents (guardian) will be contacted by phone and letter by the Market Animal Sale President informing them of the ruling.
24. The exhibitor has the right to appeal the ruling to the Market Sale Committee Executive Board. It is the responsibility of the exhibitor to contact the Market Animal Sale Committee President to request a meeting and set up a date. The exhibitor must appeal no later than one (1) week/seven (7) days after notification by the Market Animal Sale President.
25. Any exhibitor that has an animal which has a DNA check that does not match may be banned from selling in the Market Animal Sale for up to three (3) years. In addition, the exhibitor will only receive the current market price per pound as determined on the day of sale at Equity Livestock in Stratford, WI. The balance of the original price will be refunded back to the buyer. The Central Wisconsin State Fair Junior Fair Board and/or Fair Board may take additional disciplinary actions.
26. The distribution of auction proceeds may be delayed until the laboratory’s DNA comparison testing is complete, and sale proceeds are collected.
27. **To be eligible Market sale, exhibitors must show in their respective shommanship class.**

Central Wisconsin State Fair Market

Animal Sale Educational Requirements

YQCA (Youth for the Quality Care of Animals)

THIS IS MANDATORY (No Exceptions)

Exhibitors **must** complete the online certification course. This program is mandatory for all Market Animal Sale Exhibitors to sell at the 2024 Central Wisconsin State Fair Market Animal Sale.

In Person Sessions at MSTC December 14 and Feb 6, 2024

Online Session: Visit YQCA.org and click “sign-in or register” to begin. Online cost is \$12.00 per youth.

A copy of your YQCA certificate must be on file with the Market Animal Sale Committee no later than July 15th. This document must be submitted to the M.A.S Google Classroom.

In addition to the YQCA Certification, all exhibitors must complete three (3) educational activities through the “Market Sale Google Classroom”

NO EXCEPTIONS WILL BE MADE.

Market Animal Sale Sponsored Meetings.

(Virtual Option for College enrolled Students with previous market sale participation- (**Live ONLY Technical difficulties do not excuse you**))

Central Wisconsin State Fair Market Animal Sale

DNA Collection Dates And Information

Date	Species	Location	Time
February 10, 2024	Market Beef and Market Dairy Steers & Heifers	Richfield Town Hall	9:00 a.m. - 12:00 (Noon)
May 18, 2024	Market Hogs & Market Lambs	Richfield Town Hall	9:00 a.m. - 12:00 (Noon)

The Richfield Town Hall is located on the corner of Richfield Drive and County Road A. The exact address is: 8478 Richfield Drive, Marshfield, WI 54449.

A fully completed Animal ID/DNA Sample Documentation Form is required at the time of DNA Collection. If any information is missing/omitted on this form, it is your responsibility to either complete the form on the above specified date or get that information to Mark Cournoyer or Kelly Aue before **your specie DNA Turn-In Date**. (*Sample form is included in this booklet.*)

Failure to turn in your DNA on the above date for each species will result in not being able to participate in the Market Animal Sale for this year.

DNA will not be collected after 12:00 p.m. (Noon) on the date listed above. If you are unable to make the collection date/place due to a conflict, the following committee members will accept your DNA and be responsible for turning it in on the above dates. Please call and set up a time that is convenient for the both of you, should you need to do this. If you give your DNA Samples to other committee members, and it does not get turned in on the above specified dates, the Market Animal Sale will consider the DNA Samples late and you will not be permitted to sell at the sale this year.

Authorized DNA Collection Committee Members:

**If you wish to turn in DNA before the February 11th deadline
for Beef and Dairy Steers**

Or

**May 18th deadline for sheep and swine, it can be turned into the
following Market Sale Committee Members**

Mark Cournoyer 715.305.0385

Neal Potts 715-305-4452

Kelly Aue 715-897-2730

Ann Lindow 715-819-6311

Central Wisconsin State Fair Market Animal Sale

Animal Tagging And DNA Guidelines

- ❖ To be eligible for the Central Wisconsin State Fair Market Animal Sale, animals must have an official CWSF or Wisconsin State FAIR RFID tag and must have collected DNA on file with Animal ID.
- ❖ Exhibitors/Families will need to purchase CWSF RFID tags and DNA collection envelopes from the Market Animal Sale Committee.
- ❖ For the Central Wisconsin State Fair Market Sale, animal tagging and DNA collection will be completed on a family basis. During final weigh-in, animals will be assigned to specific family members.
- ❖ Each family must complete and turn in the CWSF Tagging/DNA Collection Request Form at the time of tag/envelope purchase. **This form needs to be filled out completely and legible, please print.** All FFA, 4-H or eligible club members of the family planning to sell, **MUST** be listed on this form. (*Sample form is included in this booklet.*)
- ❖ The cost is \$10.00 per animal/tag. The family's cost will be deducted from your Market Animal Sale proceeds. There is a limit of nine (9) tags per exhibitor (3 tags per species). RFID tags and DNA envelopes will be available at the January Educational meetings. Other times and locations may be announced. You may also contact Mark Cournoyer for RFID tags and DNA kits at Auburndale High School, 715.652.2115 or Mark Zee at Marshfield High School 715.387.8464
- ❖ Your family will receive the RFID tags and the DNA collection envelopes for use at home. You will also receive a copy of the CWSF Animal ID/DNA Sample Documentation Form, and directions for effectively collecting DNA samples which are also posted on the Google Classroom and at shorturl.at/hsyLY on Youtube
- ❖ You will be responsible for providing your own tag applicator. **You must use an ALLFLEX UNIVERSAL TAGGER The Red Tagger.** These taggers can be purchased at local farm supply stores or on-line from various farm supply companies.

Exhibitor Names: _____

Club(s) or Organization(s): _____

Phone #: _____ Email Address: _____

Mailing Address: _____

City/Town: _____ Zip Code: _____

Fair ID/DNA forms must be submitted to CWSF Market Sale. Upon receipt of this form CWSF Market Sale will provide you the items selected below with all forms/instruction sheets to use for DNA samples. **Please specify the type of livestock tag you are ordering, be specific on species. If ordering for more than one species, please fill out a separate form.** *There will be no upfront charge for tags, family tag fees will be taken from Market sale checks.*

Livestock must be identified in the family's name or in the immediate family member names. If animals are identified in the immediate family name only one form needs to be submitted along with the correct fees, however all siblings' names **MUST APPEAR** on the top of the form. Cousins are not considered immediate family and may not co-identify with the same animal.

The RFID tag listed on the identification forms **MUST** be the RFID ear tag in the animal's ear at the fair's weigh-in. DNA Request Forms **MUST** include completed information, or they will be placed on Hold.

All DNA hair sample envelopes with the white "Animal ID/DNA Sample Documentation Form" must be returned to the Market Sale Committee by your species deadline date. (Sample form is included in this booklet.)

Please use a separate form for each species

Sale Collecting And Submitting Your DNA

Samples

When you are ready to tag and collect DNA samples from your animals, take time to fill out as much of the following information as possible:

- ❖ CWSF Fair Animal ID/ DNA Sample Documentation Form. **Be sure to state Wood County as your county & NOT the county you live in.** (*Sample form is included in this booklet.*)
- ❖ Information requested on the outside of the DNA collection envelopes (Be aware that BOTH the exhibitor and parent signatures are **REQUIRED** on each envelope).
- ❖ Follow the species specific **Hair Sample Collection Instructions** (located in your folder) to collect DNA from each animal you tag. Insert the DNA samples into the appropriate envelopes and seal them. Fill out remaining information on the envelopes and forms as you go.
- ❖ When all animals are tagged and DNA collected, deliver to the Market Sale Committee members at the Richfield Town Hall on the date designated for your species listed in this booklet.
 - ❖ A copy of CWSF Animal ID/DNA Sample Documentation Form
 - ❖ Sealed DNA envelopes for each animal tagged.

Make a copy of the CWSF Fair Animal ID/DNA Sample Documentation Form for your records.

ALL ENVELOPES MUST BE DELIVERED TO THE RICHFIELD TOWN HALL ON THE DESIGNATED SPECIES DATE AND TIME. FAILURE TO DO SO WILL RESULT IN YOUR ANIMAL(S) BEING INELIGIBLE TO SELL AT THE CWSF MARKET SALE.

We highly suggest that you collect an additional DNA sample for each animal and retain it in your possession in a separate envelope with the correct ear tag number for your own documentation. Please keep those samples frozen.

If one of your animals loses a tag...

If your Market Animal loses its official RFID tag that you received from the Market Animal Sale Committee, contact Market Sale Committee President, Mark Cournoyer 715.305.0385 for a replacement tag. Replacement tags will be available free of charge until the Saturday before the fair. If replacement tags are needed, the lost/broken tag number must be replaced with a replacement tag issued by the Market Sale Committee. Please make sure you replace the new ID tag in the correct animal that was DNA sampled. The exhibitor/family is responsible to pick up the needed tag(s) while submitting the old tag(s), if available. If the old tag(s) is/are not available, be prepared to indicate which tag number(s) you are replacing when you get the replacements.

*******Be aware that any Market Sale Animal that arrives at fair weigh-in without an official CWSF ear tag in its ear will be required to participate in a DNA test at the owner's expense. The cost of this is approximately \$100.00.**

DNA CONFIRMATION CHECKS & PENALTIES

- ❖ The Champion & Reserve Champion Market Sale Animals in each species and several other market sale animals randomly will be tested at no cost to the exhibitor.
- ❖ IF the DNA does not match on an animal, the exhibitor will be contacted by phone and letter by the Market Sale President informing them of the ruling.
- ❖ Any exhibitor that has an animal which has a DNA check that does not match may be banned from selling any market animals for up to three (3) years. Also, you will only receive current market price per pound as determined on the day of the sale at Equity Livestock in Stratford, WI. The balance of the original sale price will be refunded back to the buyer. The Central Wisconsin State Junior Fair may also take additional disciplinary action.
- ❖ The exhibitor has the right to appeal the ruling to the Market Sale Committee Executive Council. It is the responsibility of the exhibitor to contact the Market Sale Committee President to request an appeal meeting and set a date. You must appeal no later than one (1) week/seven (7) days after notification by the Market Sale Committee President of a nonmatch DNA sample.

If Your Market Animal Is Going To State Fair...

- ❖ You may purchase your DNA kits and RFID ear tags either from WI State Fair or The CWSF Market Animal Sale Committee.
- ❖ Collect the DNA according to your species.
- ❖ Fill out all forms and mail your DNA Sample to WI State Fair on or before the due date required by WI State Fair.
- ❖ **You must also complete a CWSF Animal ID/DNA Sample Documentation Form.** This form must be turned in via mail, email, or hand delivered to one of the "Authorized DNA Collection Committee Members" (see page 8) by the CWSF species deadline date. Since the DNA sample has been sent into the WI State Fair, you will not be turning in an additional DNA sample with this form.
