

WHAT IS 4-H?

The 4-H program begins at the club level. Our 4-H members, parents and leaders meet monthly to have fun, learn and work together in project groups, club activities, special interest groups and many events.

4-H is an informal educational program through which parents, other adults and youth help young people develop confidence, social skills, decision-making abilities and subject matter knowledge in a variety of project areas.

Wood County 4-H Club Locations
